

Superheroes wear

all kinds of costumes

Permanent roles, recruiting now

Did you know you don't have to be an Olympic swimmer or have a bronzed 6 pack to become a lifeguard? Superheroes come in all guises but we find by in large the very best ones are those that want to be part of a team environment, engage with customers and actually enjoy the atmosphere of the pool – it's where people come to have fun!

You need to be comfortable and fit enough to undertake lifeguard training which we provide free of charge and you must have a first aid certificate or the ability to obtain one immediately.

For more information on Lifeguarding at the Council visit www.jobs.ccc.govt.nz
