

THE CONCORD CHRONICLE

NEWS FLASH!!

CONCORDS LAND IN TAUPO!

Daily poem-

Bad boys 2 was to rude, we ate some food watching penguins in the nude. It was crude, we were like.... Dude.

Our boxes are small, not like a mall. There is a funky room odour, oh bring us some soda.

We frolicked in the lake, Gary created a wake. It turned chilly, please boil the billy. We discovered a dead fish, not suited for a dish. We paved a grave, for the brave.

We made a new chant, look at your triangle plate Grant! We are the concords at our best, time for rest.

Out!

DEDICATION- 'to give up part of ones life to achieve an ultimate goal'

Perspective has shown me that what's important is not just the fleeting moment, but your attitude on the journey. Thomas Edison tried 2000 times before he invented the incandescent light bulb, the real triumph was the complete process, including the 1999 failures. Success is when 10 000 hours of hard work meet one moment of opportunity and the times recorded by us this week will reflect the hard work put in by all along the way.

GOSSIP, GOSSIP, GOSSIP

We hear through his own admission that Clive enjoys dressing up as a penguin!
