

THE CONCORD CHRONICLE

CONCORDS COURAGE REIGNS SUPREME

Our flag was mysteriously stolen in a late night raid, upon negotiations with the local Indian tribe it was returned- no Indians were killed in this event.

They may take our flag away, they may take our points away and what do we do?...we swim.

We swim harder, we swim stronger, we swim faster.

Daily thought: Impossible is just a big word thrown around by small individuals who find it easier to live in the world they've been given to them than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration, it's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing!

GOSSIP, GOSSIP, GOSSIP

Clive yet again amazed us with his persistence in advancing his life skills. After 10 minutes of putting money in the coke machine and pushing the coin reject button in vain hope of a drink, he finally asked for help and now no coke will go undrunkin again.
