

## THE CONCORD CHRONICLE

# ***CONCORDS WIN FIRST TRI-SERIES***

**An absolute fantastic days competition was witnessed today. Team Concord shone with swimmers taking up the challenge when it was evident that the Indians and the Smurfs entered their powerhouse swimmers to try a last ditched effort to take us down in the last session. This did not bother the ConCORDS. They dug deep and came through like true champions by not only winning but smashing the opposition with an astounding 40 point victory. Celebrations were had by all!!!**

**IN OTHER NEWS-** while the swimmers found the energy to fire on the last day, some found it too hard to handle.
