

I'm a little Starfish

I'm a little Starfish on my back,
I'm a little Starfish nice and flat.

I'm a little Starfish on my back,
Roll me over and swim me back.

I'm a little Turtle on my tum,
I'm a little Turtle with my mum.

I'm a little Turtle on my tum,
Roll me over, it's such fun.

(to the tune of "I'm a little teapot")
