Kiwis take out Relay in Wadonga

The girl's team of Taylor, Chloe, Sam L and Alex finished the night in style for the Kiwis last night in Wadonga. That led out strongly, and a very determined last leg from Alex bought them home. Well done girls! There were some other stand out swims during the session. Sophia got a great win in the 200 Bk, Chloe continued her dominance of the Breaststroke events, and Sam L had a great looking 100 Fly win. The coaching staff are now determined that the team finishes the Wadonga leg of the tour on a high today.

Let's go team. Let's back ourselves and believe in ourselves.

WE ARE BUT ONE TEAM

Our mighty warriors they stand tall and proud
So fine of culture the haka was just so loud
It's to Australia's shores that our team has come
Taking on the best is the challenge that we have to overcome

Our team it comes from Aotearoa the land of the long white cloud
Across the seas we have journeyed to face the crowd
The first two tests proved we are as good as their best

But the challenges will be greater before we are able to rest
We compete as one team it is said
For strength we have, the unity, the passion is all there to be read

We have our stars within the team
But altogether we will pursue this dream
The coaches are working to help us achieve the goal,
Along with support staff, they are experts in their role

Together we will move forward and face the foe
Not thinking how hard and how far we all have to go
In the battle that is about to unfold
We'll look into our soul and be bold
When all is over the battle, the fear and tears
We can all stand proud as our warriors have shown our peers
Into the future, we will reassess our goals
Looking into the past to improve our roles

In years to come as we remember these times
That our team worked as one
And the challenges that were overcome

So deep in your heart as you see faces there
You can be proud of the day
The silver fern you did wear

Undercover with the mole.

I'm not one to gossip but.....

- Truck was apparently seen rubbing massage oil into Mitchells calves.
- Chloe supposedly has a crush on one of the youngest boys, hmmm
- Sam L is still very interested in talking with ML. Maybe Mitchell could hook it up. ML's birthday today...could it be that Sam may jump out of the cake???
- Nathan had just been telling the Aussie girls how good his fly was before the 200 free.....
