

# Smoke signals

## Swimmers of the meet

Meet 3:

Lauren Coetzee: based on her 3<sup>rd</sup> place 200 breast. An event that she was asked to fill due to our number 1 swimmer carrying an injury.

Meet 4:

Nick Gillum – Not only did Nick take the scalps on both the 400 free and 400 i.m. He beat the top guns in an exciting finish for the 400 free and then came back strongly to take out the 400 i.m.

## Skins Winners:

Lauren Coetzee	50 fly	Shaquille	50 free
Jared Soloman	50 fly	Bianca	50 free

Although skins carry zero points the swimmers once again used these events as a chance to solidify the best team of the day. A solid effort by all concerned. The Indians have fought all skins events with their best performers based on the thought that a race is a race no matter what
